

**Gosport Borough Council**  
**Integrated Impact Assessment (IIA)**

**Completion Instructions for IIA Leads:**

Use this IIA **during development** to initially assess the likely impact, on both customers and staff, of a proposed new policy, strategy, function or service or a proposed change to an existing one. This IIA aims to provide an early warning of any potential issues that could adversely impact our customers or staff or result in costly errors in terms of financial or reputational management. Evaluating the proposed changes against our key considerations regarding equality & diversity and climate change allows us to modify or mitigate any adverse impacts **before** implementation. It also demonstrates transparency in the Council's decision making. It is a working document with named Subject Expert Officers (SEOs) who can support you - as the IIA Lead, through this process. Please do ask the SEOs for advice about potential impacts.

Impacts in the template are marked: +ve (positive) -ve (negative) or neutral. Once completed the IIA must be signed off by your Head of Service and a summary copy attached to the Board or Committee report. Officers have a Duty to ensure that Councillors/decision makers understand the impact of decisions before those decisions are made.

## A. EQUALITY & DIVERSITY

The Public Sector Equality Duty is part of the Equality Act 2010. The Duty requires the Council to have due regard to the following three aims:

- eliminate unlawful discrimination, harassment and victimisation;
- advance equal opportunities between people from different groups
- foster good relations between people from different groups.

Having due regard means considering how this policy, strategy, project or function has or will advance equal opportunities for each of the protected groups below.

**Please note: If this proposal means a change in the availability, degree of provision or access to a service, benefit or facility for any group of people, then this Equality & Diversity impact assessment must be completed to assess if this proposal could be deemed unlawfully discriminatory.**
