<b>Author:</b>	Kevin Suter
<b>Status:</b>	Policy and Organisation Board to consider and note the 2021/22 Audit Results Report

### **Purpose**

This report summarises the findings to date from the 2021/22 external audit, which is well progressed. It includes the messages arising from our audit of your financial statements and the arrangements you have put in place to secure economy, efficiency and effectiveness in the use of your resources.

Our report includes only matters of governance interest that have come to our attention in performing the audit under the requirements of the National Audit Office’s Code of Audit Practice and International Standards of Auditing (ISAs).

This is an important report that is a requirement of ISA 260 and must be presented to you in your role as those charged with governance, before you approve the financial statements.

### **Recommendation**

- That the Board review and note the conclusions to date set out in the Audit Results Report

#### **1 Background**

### **Audit certificate**

2.3

As of 15 March 2023, we have not yet been able to perform the procedures required by the National Audit Office (NAO) on the Whole of Government Accounts submission for 2021/22. However, do not expect any issues in performing this work as the Council falls below the threshold set within the guidance from HM Treasury and the group audit instructions for 2021/22 on which our work is based. The audit certificate will be issued once this work is complete.

A verbal update on the progress of the audit since the drafting of the Audit Results Report will be provided at the meeting on 15 March 2023.
