

Board/Committee:	Full Council
Date of Meeting:	6 February 2019
Title:	Local Council Tax Support scheme for Gosport
Author:	Borough Treasurer
Status:	FOR DECISION

Purpose

The purpose of this report is to inform Members of the proposal not to change the Local Council Tax Support scheme (LCTS) for Gosport for the forthcoming 2019-2020 financial year.

Recommendations

That Council approve the Local Council Tax Support Scheme (LCTS) for Gosport at Appendix 1 of this report for working age customers and notes the statutory scheme for Pension Age customers. Statutory changes to the Pension Age scheme are administered by Ministry for Housing Communities and Local Government (MHCLG) and this year only contains minor changes which Members are asked to note.

1 Background

- 1.1 On the 23 January 2012 Council approved the Local Council Tax Support scheme for Gosport for the 2013/14 financial year following the abolition of the national scheme for Council Tax Benefit.
- 1.2 It remained largely unchanged until 30 January 2017 when Council approved changes to the scheme for the 2017/18 financial year. In addition Council approved the Exceptional Hardship Policy introduced from the 2017/18 financial year.
- 1.3 Legislation requires that the scheme is approved by full Council for each year.
- 1.4 The following table outlines the funding position of the current scheme

Local Council Tax Support Scheme		£	%
Estimated Cost 2018/19		3,950,000	
Costs met by:			
Gosport Borough Council		521,400	13.20%
Hampshire County Council		2,851,900	72.20%
Police & Crime Commissioners		422,650	10.70%
Hampshire Fire & Rescue Authority		154,050	3.90%

2. Report

2.1 There are no proposed changes to the 2019/20 LCTS working age scheme with the current scheme at Appendix 1 maintaining the following protections for vulnerable customers:

- The continuation of income disregards for Disability benefits, Child benefit and maintenance payments.
- The continuation of the full income disregard for War Widows and War disablement pension.
- The continuation of “extended payments” or benefit “run-ons” when a Customer starts work or increases their hours in work.
- “fast track” claims to expedite re-claims after a short period of temporary work reducing the requirement for extended verification.

2.2 In addition the Exceptional Hardship Policy introduced from the 2017/18 financial year recognised that in a small amount of cases additional support may be needed when an LCTS customer is suffering “extreme hardship”. A separate Policy was approved by Council for this purpose.

2.3 Staff from both the Benefit and Council Tax Sections are trained to deal with potential hardship cases and offer an application form at all points of the recovery process.

3 Financial implication

3.1 There are no financial implications arising if the scheme remains unchanged.

4 Risk Assessment

4.1 To mitigate any challenges to the Council over the amended 2017/18 LCTS scheme, an initial Equality Impact risk assessment was undertaken followed by a full Equalities Impact Assessment, which considered all factors of the scheme and the responses to the Consultation undertaken at the time.
